To the Shareholders

Dear Sir or Madam,

**PROPOSALS FOR GENERAL MANDATES
TO ISSUE SHARES AND REPURCHASE SHARES,
RE-ELECTION OF RETIRING DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information in respect of the resolutions to be proposed to seek approval of the Shareholders in respect of, among other matters, (i) the granting to the Directors the Issue Mandate and the Repurchase Mandate, (ii) the re-election of Directors, and (iii) to give you notice of the AGM.

LETTER FROM THE BOARD

GENERAL MANDATES

At the annual general meeting of the Company held on May 23, 2024, ordinary resolutions were passed to grant to the Directors (i) a general unconditional mandate to allot, issue and deal in Shares (including any sale or transfer of treasury shares of the Company) of not exceeding 20% of the total number of Shares of the Company in issue (excluding the treasury shares, if any) at the date of the passing of the relevant resolution; (ii) a general unconditional mandate to repurchase Shares up to 10% of the total number of Shares in issue (excluding treasury shares, if any) at the date of the passing of the relevant resolution; and (iii) to extend the general mandate mentioned in (i) above by the addition of an amount representing the aggregate number of Shares repurchased by the Company pursuant to the mandate to repurchase Shares referred to (ii) above.

Such mandates will lapse at the conclusion of the AGM. In order to give the Company the flexibility to issue Shares and repurchase Shares if and when appropriate, ordinary resolutions will be proposed at the AGM to approve:

- (i) the granting of the Issue Mandate to the Directors to allot, issue or deal with Shares (including any sale or transfer of treasury shares of the Company) of not exceeding 20% of the total number of issued Shares (excluding treasury shares, if any) as at the date of passing of such ordinary resolution (i.e. 192,522,330 Shares on the basis that the total number of issued Shares will remain unchanged on the date of the AGM) and the Company may cancel or hold Shares so repurchased in treasury;
- (ii) the granting of the Repurchase Mandate to the Directors to exercise all the powers of the Company to repurchase Shares with an aggregate number of not more than 10% of the aggregate number of the Shares in issue (excluding treasury shares, if any) as at the date of passing of such ordinary resolution (i.e. 96,261,165 Shares, on the basis that the total number of issued Shares will remain unchanged on the date of the AGM); and
- (iii) the extension of the Issue Mandate by adding the total number of Shares repurchased by the Company since the granting of the Repurchase Mandate.

Each of the Issue Mandate and the Repurchase Mandate will remain in effect until the earliest of the following:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held under any applicable laws or the Articles; or
- (iii) it is varied, revoked or renewed by an ordinary resolution of the Shareholders at a general meeting.

The Directors wish to state that they have no immediate plan to issue any Shares pursuant to the Issue Mandate or to repurchase any Shares pursuant to the Repurchase Mandate.

LETTER FROM THE BOARD

EXPLANATORY STATEMENT

An explanatory statement containing all relevant information relating to the proposed Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement is to provide you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to grant the Directors the Repurchase Mandate at the AGM.

RE-ELECTION OF RETIRING DIRECTORS

In accordance with Article 108(a) of the Articles, at each annual general meeting one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years. Accordingly, in relation to the resolution numbered 2 as set out in the notice of the AGM, Mrs. Wu and Dr. Yizhen WEI will retire by rotation at the AGM and, being eligible, offer themselves for re-election.

Details of the above-mentioned Directors proposed to be re-elected at the AGM are set out in Appendix II to this circular.

SELECTION CRITERIA AND PROCEDURE FOR NOMINATION OF DIRECTORS

The Nomination Committee will recommend to the Board for the appointment of Directors including independent non-executive Director in accordance with the following selection criteria and nomination procedures:

Selection criteria

The Nomination Committee shall consider the following criteria in evaluating and selecting candidates for directorships:

- (a) Reputation for integrity;
- (b) Accomplishment and experience;
- (c) Compliance with legal and regulatory requirements;
- (d) Commitment in respect of available time and relevant interest; and
- (e) Diversity in all its aspects, including but not limited to gender, age (18 years or above), cultural and educational background, ethnicity, professional experience, skills, knowledge and length of service.

The appointment of any proposed candidate to the Board or re-appointment of any existing member(s) of the Board shall be made in accordance with the Articles and other applicable rules and regulations.

LETTER FROM THE BOARD

Nomination procedures

The procedures for the Nomination Committee to nominate candidates to the Board for directorship are as follows:

The secretary of the Nomination Committee shall convene a meeting, and invite nominations of candidates from Board members (if any), for consideration by the Nomination Committee. The Nomination Committee may also put forward candidates who are not nominated by Board members.

For filling a casual vacancy, the Nomination Committee shall make recommendations for the Board's consideration and approval. For proposing candidates to stand for election at a general meeting, the Nomination Committee shall make nominations to the Board for its consideration and recommendation.

Pursuant to the Articles, if a shareholder wishes to propose a person for election as a Director, such shareholder shall have given a notice in writing of the intention to propose that person for election as a Director and also a notice in writing by that person of his/her willingness to be elected shall be given to the Company at least seven (7) days before the date of general meeting. Such period for lodgement of the notices shall commence no earlier than the day after the despatch of the notice of the meeting appointed for such election and end no later than seven days prior to the date of such meeting.

A candidate is allowed to withdraw his/her candidature at any time before the general meeting by serving a notice in writing to the company secretary of the Company.

The Board shall have the final decision on all matters relating to its recommendation of candidates to stand for election at any general meeting.

RECOMMENDATION OF THE NOMINATION COMMITTEE

The Nomination Committee has considered Mrs. Wu's deep understanding of the management of the human resource and general affairs of the Group, Dr. Yizhen WEI's ("**Dr. Wei**") extensive experience in medical industry and, his working profile and other experience and factors as set out in his biographical details in Appendix II to this circular. Having considered the Board Diversity Policy, the qualifications, skills, experiences, time commitment and contributions of both of the retiring Directors, the Nomination Committee recommended to the Board that both of the retiring Directors are eligible for re-election. The Board believed that their re-election as the Directors (Mrs. Wu as an executive Director, and Dr. Wei as an independent non-executive Director) would continue to bring valuable industry experience, knowledge and professionalism to the Board and would be in the best interests of the Company and its Shareholders as a whole.

LETTER FROM THE BOARD

Furthermore, with respect to Dr. Wei, being an independent non-executive Director eligible for re-election at the AGM, the Nomination Committee has considered and believed that:-

- (a) Dr. Wei was appointed as an independent non-executive Director on April 27, 2018 and he has held this position for about seven years. The length of the tenure of Dr. Wei on the Board has not affected his independence. Besides, Dr. Wei does not have any relationship with any other Directors, senior management, substantial shareholders or Controlling Shareholders of the Company;
- (b) Dr. Wei does not hold seventh (or more) listed company directorship;
- (c) Dr. Wei has extensive experience in clinical medical industry. Since December 1999, Dr. Wei has served several positions at Fuwai Hospital – China Academy of Medical Science (中國醫學科學院阜外醫院). Dr. Wei was appointed as a medical appraisal expert of Beijing Medical Association (北京市醫學會) in December 2013. He has served as a member of the Cardiovascular Committee of the National Cardiovascular Disease Center since August 2016. Dr. Wei's extensive experience in clinical medicine industry and his working profile and other experience can provide advice to the Board from a professional perspective; and
- (d) The Board currently consists of 3 male Directors and 2 female Directors. The Board has considered the above factors, and the personal characteristics of Dr. Wei, and believed that Dr. Wei can enhance the diversity of the Board.

During his appointment, he has demonstrated his ability to provide an independent view to the Company's matters. The Nomination Committee is of the view that he is able to continue to fulfill his role as independent non-executive Director and thus recommends him to the Board for it to propose to Shareholders for re-election at the AGM.

ANNUAL GENERAL MEETING

Set out on pages 17 to 20 of this circular is a notice convening the AGM to consider and, if appropriate, to approve, among others, the ordinary resolutions relating to the proposals for the granting of the Issue Mandate and the Repurchase Mandate and re-election of Directors.

A form of proxy for use at the AGM is enclosed herewith. If you are not able to attend and/or vote at the AGM in person, you are requested to complete the form of proxy and return it to the Company's branch share registrar and transfer office in Hong Kong, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong as soon as possible and in any event not less than 48 hours before the time of the AGM (i.e. not later than 11:00 a.m. on Tuesday, May 20, 2025) or any adjournment thereof. Completion and return of the form of proxy shall not preclude you from attending and voting in person at the AGM or any adjournment thereof should you so wish.

LETTER FROM THE BOARD

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of Shareholders at a general meeting must be taken by poll except where the chairman of the general meeting, in good faith, decides to allow a resolution which relates purely to procedural or administrative matter to be voted by a show of hands. Accordingly, each of the resolutions put to vote at the AGM will be taken by way of poll. An announcement on the poll results will be made by the Company after the AGM in the manner prescribed under Rule 13.39(5) of the Listing Rules.

RECOMMENDATION

The Board considers that the ordinary resolutions in relation to the granting of the Issue Mandate and the Repurchase Mandate, and the re-election of Directors to be proposed at the AGM are in the best interests of the Company and the Shareholders. Accordingly, the Board recommends the Shareholders to vote in favour of such resolutions at the AGM.

GENERAL

Your attention is also drawn to the appendices to this circular.

By order of the Board
Ascleto Pharma Inc.
歌禮製藥有限公司
Jinzi Jason WU
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

2. SHARE CAPITAL

As at the Latest Practicable Date, the number of total issued Shares (excluding treasury shares, if any) was 962,611,653 Shares of nominal value of US\$0.0001 each which have been fully paid. Subject to the passing of the resolution for repurchase of Shares and on the basis of no further new Shares will be issued or repurchased up to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 96,261,165 Shares, representing 10% of the total number of issued Shares (excluding treasury shares, if any) as at the date of passing the relevant resolution for granting the Repurchase Mandate.

3. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per share if the Board resolves to cancel the Shares repurchased and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. On the other hand, Shares repurchased by the Company and held as treasury shares may provide more flexibility to the Board to resell the treasury shares on the market prices to raise additional funds for the Company, or transfer or use for share grants under share schemes that comply with Chapter 17 of the Listing Rules and for other purposes permitted under the Listing Rules, the Articles and the applicable laws of the Cayman Islands.

4. FUNDING OF REPURCHASES OF SHARES

Any repurchase of securities of the Company would be funded entirely from the cash flow or working capital facilities available to the Company, and will, in any event be made out of funds legally available for the purpose in accordance with the Articles and the applicable laws of the Cayman Islands and the Listing Rules. Such funds include, but are not limited to, profits available for distribution. Purchases may only be effected out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorized by its Articles and subject to the provisions of the Companies Act, out of capital. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorized by the Articles and subject to the provisions of the Companies Act, out of capital.

5. GENERAL

There might be a material adverse impact on the working capital or gearing position as compared with the position disclosed in the audited financial statements of the Company for the year ended December 31, 2024 in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

The Company may cancel such repurchased Shares or hold them as treasury shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

For any treasury shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in its own name as treasury shares.

6. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous 12 months up to the Latest Practicable Date were as follow:

	Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2024		
April	1.43	1.21
May	1.47	1.21
June	1.21	0.78
July	1.24	0.86
August	1.14	0.76
September	1.16	0.81
October	1.49	1.13
November	1.84	1.36
December	3.22	1.56
2025		
January	4.50	2.82
February	7.01	3.76
March	9.28	5.40
April (up to and including the Latest Practicable Date)	8.75	4.09

7. UNDERTAKING BY THE DIRECTORS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate pursuant to the proposed resolution in accordance with the Listing Rules and the applicable laws of Cayman Islands.

The Directors confirmed that neither this explanatory statement nor the proposed Repurchase Mandate has any unusual features.

8. CORE CONNECTED PERSON

No core connected person (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

9. TAKEOVERS CODE AND MINIMUM PUBLIC SHAREHOLDING

If on exercise of the powers of repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (within the meaning under the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the Controlling Shareholders are interested in an aggregate of 599,532,078 Shares, representing 62.28% of the total number of Shares in issue (excluding treasury shares, if any). In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, the aggregate interest of the Controlling Shareholders would be increased to approximately 69.20% of the total number of Shares in issue (excluding treasury shares, if any). To the best knowledge and belief of the Directors, such increase would not give rise to any general offer obligation under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the Repurchase Mandate and will not effect repurchases to such extent which would result in the number of Shares held by the public falling below the minimum public float requirement under the Listing Rules.

10. SHARE REPURCHASE MADE BY THE COMPANY

The Company had repurchased its Shares on the Stock Exchange during the six months immediately preceding the Latest Practicable Date, the details of which were as follows:
